## Custom Training Program

At Shepherds Tactical, we understand the diverse needs and goals of individuals, families, and children when it comes to self-defense and firearm safety. Our custom training programs are designed to cater to your specific requirements, ensuring a personalized learning journey that meets your unique needs. Whether you're a complete beginner or an experienced practitioner, our tailored instruction covers a wide range of techniques, from basic to advanced self-defense tactics.

Our mission is to empower everyday individuals with the essential skills needed to navigate potential threats effectively. With a focus on practical training programs, we emphasize strategies for evading or de-escalating confrontations rather than engaging in physical combat. From creating distance to seeking assistance, our comprehensive curriculum equips participants with the knowledge and confidence to protect themselves and others in various real-world scenarios.

In addition to self-defense training, our firearm courses are designed to accommodate individuals at all experience levels. Whether you're new to firearms or a seasoned shooter, our Beginner, Intermediate, and Advanced Firearm Courses offer tailored instruction to enhance your skills and knowledge. Led by experienced instructors, each course provides a safe and controlled environment for learning, with the option to bring your own firearms or utilize those provided by the instructor.

Furthermore, we extend our expertise to firearm handling and safety training specifically tailored for children and families. Our courses instill responsible firearm practices in young learners and promote a safe environment for family firearm use. With group pricing options available, we ensure an inclusive learning experience for all.

Contact us today to discuss your custom training needs and embark on your journey towards enhanced self-defense and firearm safety skills.
