Tailored Firearms Courses Overview

Our firearm courses offer tailored instruction for individuals at various experience levels, ensuring a safe and comprehensive learning journey. The Beginner Firearm Course is perfect for those new to firearms, covering fundamental concepts such as safety, handling techniques, marksmanship principles, and legal considerations. Graduates seamlessly transition into the Intermediate Firearm Course, refining aiming skills and shot placement, mastering firearm maintenance, and deepening their legal understanding. For seasoned shooters, the Advanced Firearm Course provides intensive training in dynamic skills like tactical movement, partner strategies, and home defense tactics.

Led by experienced instructors, each course ensures a controlled environment where participants have the option to bring their own firearms or review new firearms provided by the instructor to suit their needs. We offer training with various types of firearms based on your preferences and learning goals.

We extend our expertise to firearm handling and safety training tailored specifically for children and families. Our courses are designed to instill responsible firearm practices in young learners and promote a safe environment for family firearm use. We offer group pricing options to accommodate families and ensure an inclusive learning experience for all. Please feel free to reach out to us for further details and to discuss how we can customize a program to meet your specific needs and requirements.

Personal home-clearing lessons are offered as well. This involves us coming to you to demonstrate home defense tactics. Completion of assessments for beginner, intermediate, and advanced courses is required for participation.

Beginner Firearm Course

We understand that many people may desire to own a firearm but feel uncertain or fearful about it. Likewise, some firearm owners may lack confidence in using their weapon effectively in high-pressure situations. Our goal is to address these concerns by providing comprehensive training on firearm manipulation and ensuring that you are equipped with the skills and confidence to handle your firearm safely and effectively.

If you already own a firearm, you are required to bring it with you, unloaded, to your first lesson.

Note If you do not know how to unload your firearm, contact us, and we will make arrangements to assist you.

Lesson includes:

- Proper and safe handling of a firearm
- When to put your finger on the trigger
- When to pull the trigger
- Dry fire
- How to know your firearm is loaded/unloaded (if applicable)
- How to know if the safety is on/off (if applicable)
- How to lock your firearm to the year (if applicable)
- How to load and unload your firearm (if applicable)

If there is a specific question you have, or something specific you would like to learn, please contact us so we can add it to your lesson.

Beginner Price:

1 hour	\$50
2 hours	\$75
3 hours	\$100

The 1st hour will be \$50. Each consecutive hour following up to 3 hours is an additional \$25. This will be repeated for each scheduled session.

You will be required to bring a form of ID and you must fill out our required forms before training can begin. Contact us with any questions.

Intermediate Firearm Course

If you've already mastered the fundamentals of firearms and are seeking to further refine your skills in firearm technique, precision aiming, effective firing methods, and comprehensive knowledge of the laws governing firearm usage, then the intermediate class presents an ideal opportunity for you to elevate your expertise to the next level.

If you already own a firearm, you are required to bring it with you, unloaded, to your first lesson.

Note You will be required to pass an assessment covering basic firearm knowledge before you can begin an intermediate course.

Lesson includes:

- Proper stance
- Sight alignment
- Picture alignment
- Proper firearm grip
- How to draw your weapon and come to the ready
- Understanding fundamental laws that provide protection as well as those that may pose challenges
- Assisting in gaining accurate shot by correcting bad habits
 - Remember that correction is not to make you feel bad, it is only to help guide you to what works best for you

If there is a specific question you have, or something specific you would like to learn, please contact us so we can add it to your lesson.

Intermediate Price:

1 hour	\$50
2 hours	\$75
